SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 requires federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or revision of an existing collection of information, before submitting

the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the revision of the collection of information set forth in this document.

Title: Licensing Manual.

OMB Control No.: 1557-0014.

Description: The Licensing Manual sets forth the OCC's policies and procedures for the formation of a national bank or federal branch or agency, entry into the federal banking system by other institutions, and corporate expansion and structural changes by existing banks. The Manual includes sample documents to assist the applicant in understanding the types of information the OCC needs in order to process a filing. An applicant may use the format of the sample documents or any other format that provides sufficient information for the OCC to act on a particular filing, including the OCC's electronic filing system, the Central Application Tracking System (CATS).

The OCC will no longer consider National Historic Preservation Act matters and National Environmental Policy Act matters as a part of the review of applications and is removing references to them in its branching and relocation forms.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals; Businesses or other for-profit.

Frequency of Response: On occasion.

Estimated Number of Respondents: 3,715.

Estimated Total Annual Burden: 12,533 hours.

Comments submitted in response to this notice will be summarized and included in the submission to OMB. Comments are requested on:

(a) Whether the information collections are necessary for the proper performance of the OCC's functions, including whether the information has practical utility;

(b) The accuracy of the OCC's estimates of the burden of the information collections, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques or other forms of information technology.
